

Indigestion May Be Due To Constipation

NEGLECT OF IMPORTANT FUNCTION MAY SERIOUSLY IMPAIR THE HEALTH.

There are many people who believe they suffer from indigestion when their discomfort really is due to a constipated condition.

Bloat, with its attendant mental depression, sick-headache, the belching of sour stomach gases, etc., are frequently due to inaction of the bowels. Relieve the congestion and the trouble usually disappears. The use of cathartics and purgatives should be avoided, however; these shock the system unnecessarily and at best, their effect is but temporary. A mild laxative is far preferable.

The compound of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin and sold in drug stores for fifty cents a bottle, is highly recommended. Mr. Benj. Bassin, 360 Madison St., Gary, Ind., thinks Dr. Caldwell's Syrup Pepsin a wonderful medicine; for four years he had a severe case of indigestion and constipation before trying Dr. Caldwell's Syrup Pepsin, which he is glad to recommend to all who suffer with stomach and bowel trouble.

H. D. Cogdell, of Macon, Ga., was in town early this week, endeavoring to find some grade Hereford reifers. He says that the Herefords are bringing the highest prices of any beef cattle in the south and he had hoped to be able to find some in this section.

Greeley Lutes bought seven shoats from F. N. Sims, of the same section of Casey, at 7 1-2 cents a pound. They averaged about 100 pounds. From Granville Lutes and R. M. Sharp he bought 17 head that averaged 120 pounds, at 8 cents a pound.

Hugh Sandidge, of the West End, sold a very handsome and well bred saddle gelding to C. N. Manning, of the Security Trust Company, of Lexington, last week. The equine was a four-year-old sorrel gelding, sired by Dick Scudder's famous show sire, All Peavine. He cost Mr. Manning \$275.

F. L. and Phil Thompson, of the Preachersville section, bought from Boone & Ballard, of the East End, 11 heifers that averaged 500 pounds at \$35 a head. They will feed these until August when they have engaged them to Center Bros., of Garrard at 6 1-2 cents a pound.

What is said to be the finest lot of feeding cattle ever brought to Lincoln county, has just been shipped to the fine Blue Grass farm of G. C. Lyons, south of Hustonville. Through his brother, Mr. Lyons bought 120 head of Hereford steers in Kansas City, and he now has them on blue grass. Everyone who has seen them pronounces them fine.

J. H. Goggin, near Hubble, sold to Whitehouse & Johnston, of Boyle, a score of steers that averaged 900 pounds, at \$8 a hundred and \$25 off on the bunch. He is feeding 30 hogs which he has engaged to the same buyers to go this month at 8 3-4 cents a pound. He believes they will cross the scales at a 180-pound average.

A yearling steer calf which John T. Riggsby, of the Preachersville section, bought from Charley Sowders, also of the East End, did considerable traveling in a series of "swaps" here Monday. Mr. Riggsby paid \$35 for the young beef; then sold him to J. B. Honaker, of Hustonville, at \$1 profit, and soon afterward Mr. Honaker sold him to Richard Cobb, on the Danville pike for \$37, making another dollar on the deal.

John T. Riggsby, the hustling young East End trader, bought a drove of 8 head of hogs from Joe Chancellor, to go this week at 8 1-2 cents a pound. Mr. Chancellor believes that they will average about 160 pounds; from Pleasant Bros., of the Cedar Creek section, he bought 13 head which will run from 140 to 150 pounds in average weight, at 8 1-4 cents a pound; from George Logan, of the Walnut Flat section, 25 head that will average about 130 pounds, at 8 cents a pound.

J. T. Blankenship, the well known farmer and trader, of Todd, Pulaski county, who is always a welcome visitor here court days, brought down a bunch of hogs Monday which he had no trouble in disposing of at good figures. He sold a sow and seven pigs to Mat Myers, on the Somerset pike, for \$25; to George W. Carter, on the Hustonville pike, he sold a sow and 10 pigs for \$32.50 and to Pence & Hill, of this city, he sold 83 pounds of wool at 39 cents a pound.
